Based on the decisions of the First Energy Efficiency Conference of Afghanistan and for the implementation of the Energy Efficiency Policy , advancement, promoting & propagation of the culture of efficient use of Energy in the country, encouraging & persuasion of those institutions and organizations that had take creative measures for the Energy Efficiency , a “ National Excellency Award” is to be awarded by the Ministry of Energy & Water ,

MEW aims to accomplish a series of assessments for finding those organizations and institutions who are mostly active in this regard and had planed to award the National Medal to the most outstanding one.

For evaluation and finding the best entities, special forms and criteria's had been developed , hence the MEW kindly request all interested organizations and institutions to please take part in this National race for obtaining the Energy Conservation medal.

All interested entities are kindly requested to please share and send their information and accomplishments regarding their successes in the Energy Conservation field to the following addresses:

Phone : 0700222113-0703101855

E-Mail Address : energypolicy@mew.gov.af

Website : www.mew.gov.af

Note : Final date for receiving your information 16th July 2011.

Address: Darulaman street, sanatorium station, MEW, Energy Policy Department.
